D.E.C.A. (Distributive Education Clubs of America) is a nation-wide organization in conjunction with Distributive Education. Its purpose is to enrich the professional and social growth of D.E. students. The Sam Houston chapter prides itself this year by having one of its students, Terry Liles, named as **OUTSTANDING D.E. STUDENT OF THE YEAR** for this area of Texas. The club sponsors an annual **SWEETHEART BALL**, as well as an annual **EMPLOYER-EMPLOYEE BANQUET**.
