One of the highest honors to be obtained is membership in the National Honor Society, and the students at Sam Houston eagerly await the annual announcement of the newly chosen members. The formal invitations become a mark of prestige to these students, who lend honor and dignity to the school. Members are active in all school affairs and participate in numerous social events of the organization, which include an open house, a spring picnic, and the formal introduction of new members.

*LtoR Linda Williams, Treas.; Nita Sandoval, Sec.; Norman Lanford, Pres.; Carolyn Clayton, V. Pres.; Tessa Wingate, Reporter-Historian.*
