POLNICK

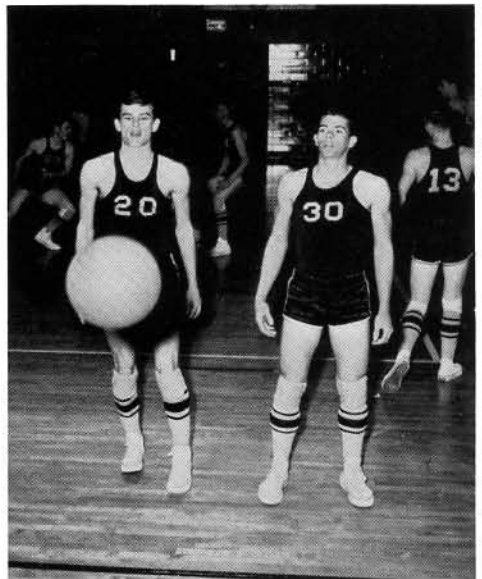

VERNON SIRMAN

(L to R) GARY KELLEY, THOMAS THREADGILL,  
FOREST WALKER

Basketball, a fast moving sport using skill and co-ordination, was originated in 1891. In this year of 1965, some 4,200 people watched Sam Houston's Varsity team use this skill and co-ordination to take the Zone Championship from Waltrip at 57-54. Next year, the varsity team with the help of Coach John Davis, is sure to retain this Zone II title.
