

"Notice — she's having trouble trying not to step on the cracks in the walk."

"What is this I see before me?"

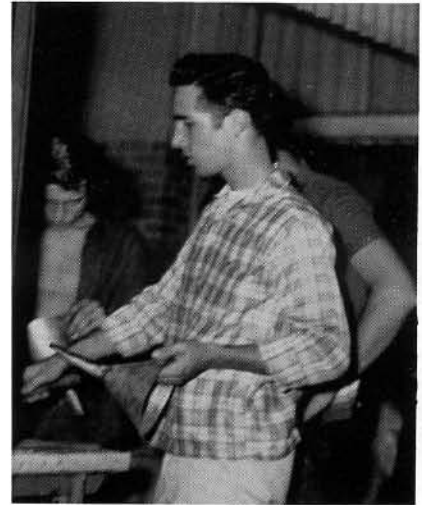

"Part-time chiropractor"

"Don't be afraid. I'll protect you."

"Well, now, I've got this li'l ol' office in tip-top condition."

"Wow, forty-three quarts of lube in that Model-A."

"He was a good piñata while he lasted."

"Do you really think we've invented something?"
