NOTES ABOUT THIS DECEASED ROSTER

This Roster is intended to be a means for the alumni to keep in mind our fallen former friends.

The Class of 1965 Alumni includes 620 Seniors listed on the roster provided by Sam Houston High School as formally graduated.

Based on 669 yearbook pictures, an additional estimated 49 persons may or may not have “officially” graduated.

These two categories represent an Alumni of 669 persons.

Not included in the 669 alumni is a host of supporters, friends, associates, faculty and others that actively support or show an interest in the Class of 1965.

Last names listed show maiden names as used in high school. Married names are shown in (parentheses).

Of the 669 known alumni, there are 95 known deceased as listed here. None of the deceased are listed in the Tigers Missing or Tigers We Know sections.

Included within the 95 deceased are 17 veterans.

The official Class of 1965 website has much more detail, to include obituaries on many of our deceased classmates. Our website is at <http://www.shhs1965alumni.org>
